The Anti-Expansion Cry Dates From Jefferson's Day.

PAST EFFORTS TO STOP PROGRESS.

The Reasons New Urged Against Retain ing the Philippines Are but Repotitions of Those Given Against Every Acquisition of Territory Since the Ov-

A story in told of a physician who, bothering him, to go to a closet, in which the doctor kept a skeleton, and help himself to candy. When the boy In discussing the matter he said: opened the door the grinning excieton, with a candle lighting up its bideous laws, swung into view. He fled precipitately.

A few weeks afterward the doctor's assistant, who was convalencing from an attack of typhoid fever, was sitting by the door on a bright day, wearing his winter overcost with the collar turned up He was hollow-eyed and very pale. As the same boy came by he called to him: "Here, my boy, do an errand for me."

"No sirree," answered the boy, shy-Ing. off. "You can't fool me the sec-

stop in at the nearest place and make if they are directed against the acquis-your purchases. You must make your lition of the Philippines instead of Louisiana, California or Alaska, as they have been heretofore. Solomon them; but you must be wide awake and alert. We find our best customers among this class of people, who know sun." There are some things more a bargain when offered and take them, antiquated than others. About the reasons urged against the retention of the Philippines there is an odor of decay that makes it impossible to mis. take them for a new product.

The territory originally included in the 13 states contained only \$27.844 The Shirt Waist and Dress square miles, with a coast line of 1,500

In 1803, 14 years after the adoption of the constitution of the United States, began the "traditional policy" of expansion.It was then that President Jefferson, the alleged father of our minister to France, purchased 1,171,931 square miles, for \$15,000,000, from France. With this territory there came to the United States about 125,000 population, 40,000 of whom were negro slaves.

President Jefferson at first thought an amendment to the constitution was We necessary to authorize the acquisition: since the trust has been formed. We necessary to authorize the acquisition; bought largely before the advance, but he ultimately concluded it was not The lowest prices while it lasts. Come and the territory was acquired, ansoon and you will save money. Chinexed, and the inhabitants became subject to the United States without amending the constitution.
